

*You are the **SEER***
Since, in your strange dreams
you can discover their taint, the
Lycanthropes want your blood.

*You are a **WEREWOLF***
By night, you kill the innocents;
by day, you hide amongst them.

*You are a **WEREWOLF***
By night, you kill the innocents;
by day, you hide amongst them.

*You are a **Villager***
Not all that dramatic, but still,
you 'd like to stay in one piece ☹
lynch out some Werewolves.

*You 're the **Moderator***

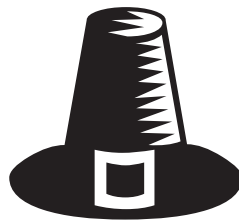

It is night.
Everyone, close your eyes.
Werewolves, open your eyes.
Werewolves, choose a victim.
Werewolves, close your eyes.
Seer, open your eyes.
Seer, point at someone.
Seer, close your eyes.
The sun is rising; the night is over.
Everyone, open your eyes ☹ see
the Werewolves have torn apart...

*You are a **Villager***
Not all that dramatic, but still,
you 'd like to stay in one piece ☹
lynch out some Werewolves.
